The screenshot shows the "Contract Killer" web interface. At the top center is the logo, which consists of a target symbol with a red dot in the center and the text "CONTRACT KILLER" in a stylized font. In the top right corner, it says "Version 6.2.0 (2016)". Below the logo, there is a form with the following elements:

- A label "Type Username" above a text input field containing "Hitman14".
- A label "Select the amount of Cash (max. 50,000 daily cash)" above a dropdown menu showing "250".
- A label "Select the amount of Gold (max. 50,000 daily gold)" above another dropdown menu showing "250".
- A green button labeled "Generate Now!" to the right of the Gold dropdown.
- An "Info" box with the text "Be sure to type your Contract Killer username."

Below the form is a section titled "Latest Activities" with a flame icon. It displays a recent activity: "214.253.171.27 has generated 2.500 Cash 7.000 Gold 12s ago". Each value is in a colored box: IP in orange, "has generated" in grey, "2.500 Cash" in green, "7.000 Gold" in green, and "12s ago" in blue. At the bottom, another "Info" box states "The activities are delayed due to high traffic."
